It is with genuine affection that we dedicate the 1968 HORIZONS to two people who are themselves dedicated--President and Mrs. Frank B. Branch.

Mr. Branch has been actively associated with Holmes Junior College since 1937 and is completing his twelfth year as President. We feel that we can best describe him as "A Man with a Purpose." He is exemplified by these characteristics: courage, conviction, foresight, determination, and energy-courage to accept with enthusiasm and confidence any challenge pertaining to the welfare of Holmes Junior College, conviction to stand firm in his beliefs, foresight in making plans for the growth of this college, and determination, as well as untiring energy, in fulfilling these plans.

Mrs. Branch served on the faculty of Holmes Junior College as instructor of French and English before becoming Registrar in 1959. Her work is characterized by accuracy and efficiency. In performing many duties, she always shows her genuine interest in each student. Besides these traits, is her ever-present support of President Branch in his efforts for the development of Holmes Junior College.

President

FRANK B. BRANCH

MR. RALPH LOFTON RAY
Trustee

Holmes Junior College lost a devoted friend in the passing of Mr. Ray on April 5, 1967. From 1952 until the time of his death, he served as a trustee. Among his attributes were his spirit of cooperation, his deep concern for the progress of our institution, and his interest in youth.

In appreciation of his service and loyalty to us, we honor him by dedicating this space to his memory.

IN MEMORIAM

DONALD DOLEYSH Sophomore

The accidental death of Donald on December 10, 1967, was a shock and tragic loss to us. Though his life with us was brief, there are pleasant memories for all who knew him. His winsome personality and friendly spirit were greatly admired.

With mingled feelings of grief and pride, we dedicate this space to him. $\,$
